Believe the same public inconvenience, but there immersion and the attendant excited in the water shouted that the girl in the water shouted that has the court of common council that has charge of the repaving of Bank street and the water shouted that has the court of common council that has charge of the repaving of Bank street and the water shouted that has charge of the repaving of Bank street and the water shouted that has charge of the repaving of Bank street and the water shouted that has charge of the court of common council that has charge of the sidewalks are and the street and the water shouted that has charge of the sidewalks are and the court of common council that has charge of the sidewalks are and the water shouted that has charge of the charge of the sidewalks are and the water shouted that has charge of the sidewalks are and the water shouted that has charge of the sidew Mr. and Mrs. Samuel Dennis of Hartford are making their annual visit with Mr. Dennis' parents, Mr. and Mrs. Samuel Dennis.

Mrs. Prances Eldredge left Sunday delegation of local gumers consisting on the public. Two was only the public. Two was on the public. Two was of the public. Two was on the public inconvenience, or it resolves itself into an imposition upon the public. Two was on the public inconvenience, or it resolves itself into was the public inconvenience, or it resolves itself in Andrew J. McGnire spint several days the past week with relatives at Pawtucket
J. D. Young and A. Kingsley of Phoenix, R. L. were the guests of triends in town on Saturday and Sunday.

Home for the Holidays.

Home for the Holidays.

Has been related and there is no techniq when the paying will begin. The curbing has been laid for a portion of the distance, which carried with it the wilk and not an inch of new sidewalk has been rebuilt.

So there is no wonder that the mer-

chants and others having business on that side of that busy street should register some vigorous kicks at that register some vigorous kicks at that is. Russell Bussell George Richards mode of procedure. This condition so congests vehicular business that Frank Richards and Philip Lemoine spent the holiday at their former home in Phoenix R. I.

Mr. and Mrs. Robert Adams and family of Phoenix R. I. were guests of relatives and friends in town on Saturday and Sunday.

Michael I. Duffey of Willimantic was at his home here Labor day.

Mics Helen Birracree of Norwich was holiday guest at the home of Miss opposite side of the street is commenced that not over one thousand James McGuire took a blue ribbon at feel of paying blocks be removed at Norwich fair with his Tenness of any one time and that would give ample room for gangs of men twice as David C. Groves spent the holidays large as will be employed on the con-lyiting friends at Hills Grove, Provi-tract to work to advantage. In other places, R. I. and New Bedford, Mass. tract to work to advantage. In other places stipulation is made that public travel must not be inconvenienced any more than is absolutely necessary and that contractors must keep the road more than is absolutely necessary and that contractors must keep the road passable during the progress of the

When it comes to the building of new sidewalks it is hoped that the commit-tee will give some attention to the en-eloquent speaker touched a tender spot tee will give some attention to the en-trances to driveways over the side-walks from the streets at several points and see to it that the steep, long and and see to it that the steep, long and unnecessary grades are materially reduced, bearing in mind the fact that thing of an Irishman bimself.

It can be put down as a fact that the steep, long and the bones of asserting that he was some thing of an Irishman bimself.

It can be put down as a fact that the steep, long and the bones of asserting that he was some thing of an Irishman bimself. and see to it that the steep, long and day Week Guests—Postoffice Examination. the greater number to be accommodated should be given just a little consideration. There are at least a dozen of The burini of Mrs. Harriet Tucker these objectionable places along Bank there does not seem to be any to take took place here Friday afternoon, with street and now is the opportune time a committal service by the pastor. Her parents were Barnabas and Charlotte uses the driveway thousands of pedesmade. Walter is the man who has made New London famous. trians walk across them, and to their peril, especially in the night season. There is no more need of these steet driveways then those in from of the firehouses in Bank street, which are of easy grade and hardly noticed by those who walk in Bank street. If Bank street is to be improved make the improvement complete and not have the new sidewalks punctuated by these objectionable steep driveways that cause church members to feel it incumbent upon them to do something penitential to make good the utternances proveked by stumbing down three weeks vacation. some of those steep grades in the side-walk.

Pine trolley car conductors in this section are, as a rule, extremely courteous, and one of them for sure, and probably the others, take special care to keep passengers posted as to location as the car speeds down in the darkened way of Montank avenue towards of each At night it is difficult for the passengers to tell just where they are at and this inconventioned is overcome by the way that where they are at and this inconvenisince is overcome by the way that

gater" Palmers," Lighthouse curve."
and so on to the end of the chapter, church Sunday.

The republican caucuses were held | Under Conductor Williams' plan pas-

sage of the many cars. Such neglect is not in the line of work outlined by the society whose aim is to make New The Australian ballot will be used for the first time in New London at the society whose aim is to make New London a city beautiful. It so happens that this condition is witnessed by more visitors than if it existed on almost any other city thoroughfare.

A rehearsal of music for Sunday was held at the Baptist church Thursday evening.

Miss Mabel Daniels of Madison has been the guest of relatives here.
Guy Loomis of Hartford spent Sunday and Monday with his father, Turner Loomis.

To Invite Baptist Association.

At the regular prayer meeting on Thursday evening the Union Baptist church unanimously voted to extend an invitation to the New Loudon Baptist execution to meet with them next year in September at Montville. It is twelve years this fall since this church entertained the association. All the entertained the association. All the church property will be in first class condition before that time. Over forty people were present at this meeting.

C. A. Chapman was a New Haven visitor Thursday.

nature and wherever he could find employment.

He finally was employed by the park commissioners to help keep clean the bathing beach and the beach avenues, and was engaged in this work at the farther end of the beach, when the chaperone of the little girl struggling in the water shouted that the girl was drawning.

calls to mind among his old shopmates the cheerful disposition and good fel-lowship for which he was noted in his more prosperous days, and the dis-play of bravery in risking his life to save another was characteristic of the

man. Ex-Governor Thomas M. Waller, who was booked for the permanent chairmanship of the democratic state convention preferred remaining at his Blarney castle at Ocean beach, picking posies in the early morning from his own little garden, meandering over his broad domain and resting under the shae of the trees and listening to what the wild waves were saying, than being confined in a convention hall and posing as a leader to a hope that was

The Ocean beach colony is of the governor's own creation and most of the improvement was done under his personal supervision. It was he who secured the Mott property, too, and converted it into whatis now gnown as Neptune park, one of the most attractive summer residential places on the Atlantic coast. His latest purchase was the old Dr. Elliott stone house.

located between Ocean beach proper it is the most attractive in the beach colony. He has selected the place as his summer home and has given the quaint structure the appropriate name of Blarney Castle, for be it known that in the hearts of some of his hearers Waller and in the present generation there does not seem to be any to take
